INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, present to subscribers and the general public, this, the bicentennial commemorative edition of the Fayetteville City Directory. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 city and suburban Directories).

Confidence in the growth of Fayetteville's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the City Directory is a mirror truly reflecting Fayetteville to the world.

The enviable position occupied by HILL's Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Fayetteville City Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings--a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Fayetteville, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The City Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Fayetteville, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols, and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Municipal Publicity

The City Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. The publishers have placed copies of this issue of the City Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Fayetteville.

This is one of many Directory Libraries installed in cities and towns throughout the United States and Canada through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

JAMES E. HOLSHOUSER, JR.
GOVERNOR

STATE OF NORTH CAROLINA
GOVERNOR'S OFFICE
RALEIGH 27611

Fellow North Carolinians:

During this Bicentennial era we can proudly look back on our rich heritage and reflect on the sacrifices that our courageous forefathers made to establish a free nation. North Carolina's "First in Freedom" slogan reminds us of the bold men and women of 1776 who challenged the most powerful nation on earth to decide their own destiny and that of their country.

North Carolina was the first colony to instruct its delegates to the Continental Congress to "concur" in independence. North Carolinians suffered through the winter at Valley Forge and fought and bled at such battles as Moore's Creek, King's Mountain, and Guilford Court House. But most importantly, North Carolinians stood for freedom and the protection of rights, as was demonstrated by their refusal to ratify the Federal Constitution until a Bill of Rights was guaranteed.

Today we are still striving to make "First in Freedom" a reality in North Carolina and in the nation. The community spirit of '76, exemplified in our Bicentennial, offers us a unique opportunity to commemorate our past accomplishments while building for a better future. It is a proud and vital legacy we perpetuate, and a duty we dare not shirk.

Sincerely,

James E. Holshouser, Jr.

CASHIERS! TELLERS!

CLERKS!

Do your employers furnish you with the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

★

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

Out of Sight--Out of Mind
Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

* * *

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*
